**Integrate the Stock Market Game™
in Your Classroom**

Student teams invest a virtual \$100,000 portfolio in stocks, bonds, and mutual funds. Teachers register student teams and engage students in this comprehensive educational program.

Cross-Curricular

Teach math, social studies, business, economics, and language skills through our extensive Stock Market Game teacher resources.

Student-Directed. Interactive.

Students compare the performance of their online portfolios with other teams in Virginia. Student teams may compete in one session or throughout the school year.
