☐ I want the international program (those located outside the US)

We found a program in Virginia.

Virginia Stock Market Game
Coordinator: Diane Neylan
Premium Program

Continue to the next step
Pick my program period.

Step 5: Select pay later. You will not be invoiced for the promo game registration.

Step 7: Check email for a Welcome confirmation including the promo period. This is one of two emails needed to start the promo game.

Step 2: Complete all the steps to register. Be sure to carefully follow all instructions. Required information includes anything marked with an asterisk or bordered in blue. If you miss one of these, you will not be able to move on to the next page.

Register Now

Please note: only adults and educators are authorized to register here. If you are an elementary, middle, or high school student, please contact your teacher to register for SMG.

Teach Students/Others

Participate By Myself

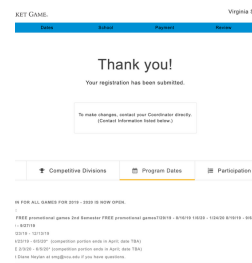

(Can select both)

Step 4: Select the promo game option.

When would you like to participate?

Step 6: This is the final screen confirming registration.

Step 8: Check email later for a second email confirming your user name/password. Team passwords are automatically generated and emailed to advisors beginning 3 weeks prior to game start dates. Once you receive your user/password, log-in at www.stockmarketgame.org and start the promo game!
